A MESSAGE FROM BISHOP CRAIG

SEPTEMBER 2021

Brothers and sisters in Christ of the Western North Dakota Synod, grace, and peace to you from God our Father and our Lord and Savior Jesus, who is the Christ. Amen.

It seems like several lifetimes ago since we gathered together at the beginning of summer in Minot, North Dakota or online thru Zoom for this year's Synod Assembly. We gathered around this text from the Gospel of St. Matthew in the 22nd chapter where we hear, "When the Pharisees heard that Jesus had been silenced by the Sadducees, they gathered together and one of them, a lawyer, asked Jesus a question to test him. 'Teacher, which commandment in the law is the greatest?' He said to them, 'You shall love the Lord your God with all of your heart, with all of your soul and with all of your mind. This is the greatest and first commandment. The second is like it, you shall love your neighbor as yourself.' On these two commandments hang all the law and the prophets." (Matthew 22:37-39)

In Minot, at the Synod Assembly, that text was the centering text for our time together as we conducted the business of our Synod, as we gathered together in Bible study, as we joined in worship and prayer. Matthew's teaching to us and Jesus' words to us to, "love your neighbor as yourself" reflected across the entire scope of our time together.

My guess is that you've gathered in other ways over these summer months; family reunions, school reunions, class reunions, gathering together with friends in ways that you weren't able to do last summer because of the pandemic. Other ways that we've gathered with one another in the past have yet to return. We long for those things to return, to be like they used to be.

Several lay leaders in the church and a couple of our Rostered Ministers have recently said to me, "You know what, I'm tired of taking care of my neighbor; when is someone going to take care of me?" To which I've often responded, "Aren't you grateful that you have a neighbor who has paid attention and is taking care of you in and through this time?"

As we continue to travel through this time that is unlike any other in human history, some of us believe that coronavirus and the pandemic are already in the rear-view mirror. For others the pandemic is still very present and real.

May Jesus' teaching guide us as we enter into fall; as we come back together for events like Rally Sunday and God's Work Our Hands Sunday; as church school and confirmation ministries happen; as worship returns to some reflection of what it was before; and even in those times when nothing really returns to what it was before, continue to be kind to one another, to serve alongside one another, to take care of each other.

As fall programming begins and fall activities take place, know that you are held in prayer, that your synod staff is available to walk with you in whatever way we can be supportive and helpful, and that, together as church, as church made up of the Western North Dakota Synod, 160 or so congregations, part of this crazy little church called the Evangelical Lutheran Church in America, we do this together. We love the Lord our God with all of our heart, with all of our soul, with all of our mind and we love our neighbor as ourselves.

God bless you and may God's grace and peace be with you always.

A Message from FLC Stewardship Committee

This Is Who We Are Together:

We are the Western North Dakota Synod of the Evangelical Lutheran Church in America, which covers almost two-thirds of the state of North Dakota.

Our church is designed to function together. 1 Corinthians 12:12 *“The body is a unit, though it is made up of many parts; and though all its parts are many, they form one body. So, it is with Christ.”* If one got all the gifts, we would not need each other. The love of God multiplies as we serve God and people throughout the world with all our gifts.

When a congregation shares a portion of their offerings received with the synod, it is called Mission Support. Thank you for the gifts you share that allow us to guide and serve pastoral leaders and candidates, to provide support to our congregations, and to provide you a connection to the greater church.

There are one hundred sixty-four congregations, four outdoor ministry sites in our synod and a vibrant Lutheran Campus Ministry on the campus of Minot State University. The synod has three endowment funds: **The Ministry Endowment Fund** distributes grants and scholarships for future leaders, **The Mission Endowment Fund** distributes grants for new and growing ministries, **The Accompaniment Fund** distributes grants which aid the synod's budget with resources to raise future leaders of our church.

Stay in touch with us! We publish a weekly e-newsletter with current happenings and information, sign up at wndsynod.org. Join us at the annual synod assembly which happens each spring.

Your synod staff:

Bishop Craig Schweitzer

Lesley Gorby, Associate with The Bishop for Administration

FIRST LUTHERAN CHURCH

GENERAL ENDOWMENT FUND

GRANT APPLICATION ANNOUNCEMENT

The General Endowment Fund was established by the congregation of First Lutheran Church to provide a perpetual source of income to support the ongoing ministry of the Church, to support local, regional and world missions, and to support capital projects including major renovations, capital repairs and building of new facilities.

The provisions of the General Endowment Fund allow up to 5% of the value of the fund to be available for grants during a given year based on the 12/31/2020 value in the fund. Endowment dollars are available during 2021 for grants that fulfill the purpose of the fund. The Endowment Committee, which was established to manage and grow the fund, has developed procedures for soliciting and processing grant requests.

The Committee is currently asking the congregation to submit grant applications that conform with the purpose of the General Endowment Fund. If you wish to apply for a grant, **please submit a completed application to the church office by October 28th, 2021**. An application is included in this newsletter and is also available in the narthex or can be obtained from the church office. During the first week of November, the Endowment Committee will review grant applications and forward their recommendations to the Church Council for review and action.

Mission Action

The Mission Action Committee is gearing up for the Fall Shipment. The date for the fall shipment to Minot is October 14-15 .

Thank you to Jan Henderson for applying for a Thrivent Action Team for school supplies. We should be able to do 100 kits. Angie Bartholomay's DCB Leaderjacks are planning to add in about 25 more. We have been getting the drawstring backpack bags online. Our plan is to once again ask the Middle School Sunday School students to assemble the school kits.

We have had some very nice donations of baby clothes. A special thanks to Sharon Sierks who gave several large bags that her grandchildren had outgrown. With other donations and a few rummage sale purchases we should be in very good shape. Thanks to all who shopped and donated. Susan Dahle plans to work on the baby kits soon. If you would like to help please give Susan a call.

Women of the FLC have also budgeted funds from the County Fair earnings. Those funds will be used to buy towels and other items for the personal care kits.

Just a reminder that Lutheran Disaster Fund needs cash donations to help emergency situations in the United States, and Lutheran World Relief needs cash for overseas causes. Addresses are available in the church office or online.

Mission Action also plans to assemble bags for the Family Crisis Center to distribute to victims of domestic violence. These will include shampoo, conditioner, lotion, toothbrushes, toothpaste and other items.

Anyone who is interested in getting involved please contact me.

YES WE ARE STILL SENDING FABRIC KITS TO LWR!

Fabric needs to be cotton or cotton blend (no knits or 100% polyester).

sizes: 2 1/4 yards of 58"-62" wide fabric or
3 yards of 42"-45" wide fabric or
4 yards of 34"-37" wide fabric

We also include a spool of thread with each piece. We do have extra donated thread, but if you have neutral thread or matching thread, please include it.

We will be taking the boxes of kits to Minot where a truck is parked at Midwest Motor Express, 1900 22nd Ave. SE. The truck is available on October 14-15. We may need a volunteer to haul the boxes.

Also, remember these projects are ongoing so if you find items throughout the year please drop them in the red laundry basket by the church office. Thanks to all who have contributed items. We put everything to use or share it with the clothing center.
